MANY DEAD BY A BLAST

**In An Explosion In Clinton,
Ind., Mine**

KEG OF POWDER, CAUSE

**At Least Five Were Killed and Many
Were Injured, While Others May
Be Cut Off from Escape.**

Clinton, Ind., Jan. 15.—At least five men are dead and a score burned and maimed as a result of a gas and powder explosion in mine No. 7, near this city, yesterday. Joe Joseph, Ed. Wolfe, John Herman and Peter Levish are the known dead, and it is believed several others must have perished. Six injured men have been taken out, and only a small portion of the wrecked passages has yet been searched.

It is believed a keg of powder exploded in the lead Wolf was working in and set fire to the accumulated gas. Efforts to rescue the victims were delayed by the intense heat generated by the explosion. Some parts of the mine are closed by debris and others cannot be reached at all on account of the hot blast that drives the rescuers back with singed hair and blistered faces. Some of the injured assert at least half a dozen of their comrades were cut off, and it is believed that none of them can be alive. News of the disaster spread quickly, and in half an hour hundreds of friends and relatives of men known to be in the mine were congregated around the shaft.

Found Dead in Bed.

At about nine o'clock Sunday morning, McKenzie N. Baldwin, the popular janitor of Walker Lodge in Burlington, was found dead in his bed in his room at the lodge. The fact that the steam heating apparatus had not been attended to since the night before was cause for suspicion that something had happened

Eating Carelessly

frequently causes stomach troubles, but careful eating will never right them. When your stomach is out of condition, it needs help that no food can supply. It must be thoroughly cleansed, settled and strengthened. Food never does this.

BEECHAM'S PILLS

are the greatest stomach medicine human skill ever compounded. Don't attempt to cure your stomach by dieting. You will half starve and get little benefit. Give Beecham's Pills a chance and you will again know the pleasures of a sound digestion. Appetite will return and the stomach again work without any discomfort. The skin will clear, the face plump out, while people will remark "How well you're looking." These are facts, not fancies. Prove it yourself.

MAY PROVE FATAL

**When Will Barre People Learn the Im-
portance of It?**

Backache is only a simple thing at first.

But when you know 'tis from the kidneys.

That serious kidney troubles follow: That diabetes, Bright's disease may be the fatal end.

You will gladly profit by the following experience.

"The statement of a Barre citizen. Mrs. B. L. Hatchelder of 3 Summer street, Barre, Vt., says: "My little boy suffered since he was a child from weak kidneys and backache. He had headache and dizziness and there was an annoying trouble with the kidney secretions, which were irregular in action, highly colored and full of sediment. Knowing that Doan's Kidney Pills had brought good results to others in our family, I got a box at E. A. Drown's drug store and he began using them. We could soon see that the remedy was helping him. He did not complain so much of the pains in his back, while the action of the kidneys became more regular and the secretions resumed their natural color. Doan's Kidney Pills seem to cure the old and young alike, and I am only too glad to give them my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

To the janitor. His room was locked and he was found in his bed, dead as he had slept. He had apparently been dead for several hours. Health Officer Courtney was summoned and the cause of death was determined to be heart failure. In the afternoon the body was taken to the home of the man's sister, Mrs. E. F. Brownell, at 110 North Union street.

Born May 6, 1837, in Williston, the son of Charles and Rachael Baldwin, Mr. Baldwin spent the early part of his life in that town. Later he went to California, was married, but had no children. About ten years ago he came to this city. He was formerly a member of the Burlington police force, but for the past three years had been the janitor of Walker Lodge. While filling this position he proved himself to be faithful and conscientious in his duties and honest in every undertaking. Besides Mrs. Brownell, Mr. Baldwin has a sister, Mrs. C. C. Littlefield, in Kansas.
